

Revised 3/16/2015 - egn

FOUNDATION FOR PUBLIC HIGHER EDUCATION, MOBILE COUNTY

Created by Act No. 41, House Bill No. 92, Alabama Law (Special Session 1962). There are no state or local appropriations - from time to time the Foundation may receive donations and gifts.

Purpose: To provide, promote and encourage education on a college or university level, cultural and scientific opportunities in the county.

Shall be managed by a board of directors composed of eighteen (18) members, six (6) of whom shall be appointed by the city commission, council or other governing body of the largest city in the county; six (6) of whom shall be appointed by the board of education, board of school commissioners, or other governing body of the county school system. After initial terms, terms are for six years. Directors may succeed themselves in office by reappointment. Seven members constitute a quorum. If a director dies, resigns or becomes incapable of acting as a director, or ceases to reside in the county, the remaining directors may elect a director to fill the unexpired term. If there is a VACANCY at the end of a term of one of the Commission's appointees, the County Commission appoints, but if the vacancy exists because of a resignation or death, the Foundation appoints.

This list is the County appointees. Other agencies, such as School Board, have a certain number of appointees too.
